Electrify Your Fleet
January 9, 2018
WELCOME

- Introductions
- Housekeeping
- Acknowledgments
Clean Cities

- U.S. Department of Energy initiative
- Designated in 1998
- Territory covers 15 Western Washington counties

Clean Cities Mission:
To advance the energy, economic and environmental security of the United States by supporting local initiatives to reduce petroleum use in the transportation sector.

Our Goal:
35 million gallons of petroleum displaced per year, by 2020
Why Go Electric?

- Sustainability/climate goals
- $$$Savings$$$
- State laws / initiatives
- EVs are awesome!
Chevy Bolt: 238 miles
$37k

Nissan Leaf: 150 miles
$30k

Tesla 3: 310 miles
$35k
