

NOTICE OF PUBLIC HEARING AND COMMENT PERIOD  
PUGET SOUND CLEAN AIR AGENCY

Proposed Order of Approval No. 11547

**US Oil & Refining Co.  
3001 Marshall Ave  
Tacoma, WA 98421**

The Puget Sound Clean Air Agency will hold a public comment period and public hearing on a proposed permit for US Oil & Refining Co. to modify the refinery to accommodate receiving additional ethanol by rail, transferring and storing of ethanol, and marine terminal loading of ethanol into marine vessels. The project includes converting two existing external floating roof tanks currently in crude oil service to ethanol service and installing internal floating roof tanks, the installation of two new ethanol unloading pumps from railcars, two new transfer pumps, and associated piping at the refinery and between the refinery and the marine terminal.

The emissions associated with this project (proposed ethanol loading of 3,616,600 bbl/year) could total up to 4.5 tons per year of Volatile Organic Compounds, including 0.05 tons per year of Hazardous Air Pollutants, and 0.05 ton per year of Toxic Air Pollutants.

PRELIMINARY DETERMINATION

The Agency has completed a review of application No. 11547 and has made a preliminary determination that the proposal meets all the requirements of Agency Regulations I, II and III and should be approved. Review of the environmental impacts of this project were evaluated by the City of Tacoma on March 15, 2018 and concluded that a mitigated determination of non-significance (MDNS) was sufficient to cover environmental impacts.
