

PUBLIC NOTICE
PUGET SOUND CLEAN AIR AGENCY
Proposed Order of Approval No. 12082
King County South Wastewater Treatment Plant
1200 Monster Road SW, Renton WA 98057

The Puget Sound Clean Air Agency is providing public notice for a proposed permit for King County South Wastewater Treatment Plant to construct a commercial composting operation to process biosolids. The facility will compost up to 780 tons per year of self-generated biosolids and biosolids generated at other King County facilities. Emissions of air pollutants due to the project will be a mixture of VOCs, organic, and inorganic compounds mostly from decomposition of organic matter as well as products of combustion from a small diesel generator running a trommel screen. Total Hazardous and Toxic air pollutant emissions is 0.8 tons per year.

PRELIMINARY DETERMINATION

The Agency has completed a review of application No. 12082. Based on this review, the Agency has made a preliminary determination that the proposal meets all the requirements of Regulations I, II, and III, and draft Order No. 12082 should be approved.

PUBLIC COMMENT

The proposed Order of Approval (along with the information considered in making this preliminary determination) are available from the Agency's website at www.pscleanair.gov. These documents are also on file and available for inspection at the Agency's office located at 1904 Third Avenue, Suite 105, Seattle, Washington, telephone (206) 343-8800. Written comments with respect to the proposed Order must be mailed to John Dawson, Engineering Manager, at Puget Sound Clean Air Agency, 1904 Third Avenue, Suite 105, Seattle, Washington 98101, faxed to the Engineering Manager at (206) 343-7522, or e-mailed to PublicComment@pscleanair.gov within 30 days of the publication date of this notice. Any person or entity may request a public hearing within the comment period provided that any such request shall state the person's or entity's interest in filing it and why a hearing is warranted.

All comments received during the comment period will become part of the public record. Once the Agency has reviewed and responded to comments from the public, the proposed Order of Approval will, if necessary, be revised and either denied or issued in final form.
