PUGET SOUND CLEAN AIR AGENCY  
Proposed Order of Approval No. 12301  
Pierce County Recycling Composting and Disposal LLC  
30919 Meridian St E, Graham, WA 98338

The Puget Sound Clean Air Agency is providing public notice for a proposed permit and public hearing for Pierce County Recycling Composting and Disposal LLC, dba Land Recovery, Inc., or LRI. The project entails the following at the LRI Graham Landfill:

- Recognition of the current landfill capacity of 34.6 million tons, which results in up to 7,000 standard cubic feet per minute of landfill gas production;
- Installation of a temporary flare, to be replaced by a larger permanent flare, for the control of landfill gas emissions; and
- Installation of a treatment system to remove sulfur from collected landfill gas.

The sulfur removal system will be required in order to mitigate sulfur dioxide emissions that result from previous unpermitted acceptance of sulfur-containing gypsum wallboard wastes.
